

Pick Up After Your Pet

MAP of dispenser locations

Pet waste is litter. Pet litter is full of bacteria, parasites and other harmful organisms. Improperly disposed of pet waste washes into local water systems impacting us all.

Please pick up after your pet, it's the law.

To help reduce pet waste in City parks Keep Charleston Beautiful and the Department of Parks provide dog waste removal bags for public use. If a dispenser is empty please find alternate means to dispose of your pet's waste. You can support this program and other litter prevention efforts by sponsoring an existing bag dispenser for a yearly rate of \$150.

The Pick Up After Your Pet program provides over 400,000 dog waste bags to the community each year. Waste bags are provided as funding and support are available.

The City of Charleston Environmental Control Ordinance, Sec.14-2(f) states:

"It shall be unlawful for any owner, keeper or walker of any dog or cat to permit his or her dog or cat to discharge its excreta . . . unless such owner, keeper or walker immediately thereafter removes said animal's excreta from the public or private property in question."

If you observe a violation of this ordinance please call 577-7434 and inform Animal Control.

You can help:

- Encourage pet owners to pickup after their pets
- Remove & properly dispose of your pets waste
- Sponsor a dog bag dispenser (\$150)
- Purchase a sign to raise awareness (\$45)

To sponsor a dog bag dispenser or to purchase a sign please contact our office– 843-579-7501.

Pick Up After Your Pet Sponsors

**This program would not be possible without the ongoing support
of the City of Charleston's Department of Parks.**
